

Rocky Point Update **By Eva Paz-Ono**

Arizona will spend \$1.5 million to construct more lanes at the border crossing at Lukeville to help prevent Arizonans from having to wait for hours trying to get back into this country after visiting Puerto Peñasco. Members of the state Transportation Board approved the funding at their meeting Friday, November 16.

Governor Janet Napolitano said the new lanes are the second part of a three-pronged effort to eliminate the backup on the Mexican side of the border. Last month, U.S. Customs and Border Protection agreed to direct motor homes and vehicles towing trailers into the commercial lane, at least on Sundays and Mondays. That should make the crossing faster for those in passenger cars.

The first annual fund raising culinary event TASTE OF PEÑASCO is set for Saturday, November 24th from Noon to 6:00 pm at the Beachfront Esplanade at Bella Sirena Condominiums in Sandy Beach. This promises to be a mouth-watering event for the senses and surprises for all. More important is the special charity that will benefit from the proceeds - "Wings of Angels".

Puerto Peñasco's main restaurants will showcase the culinary talents of their fine chefs. At the end of the evening those tasting will choose a winning restaurant for this event. There will also be a silent auction where art, hotel stays, dinners at the featured restaurants and a "Bachelors' auction" will take place. This family oriented event includes entertainment with music, karaoke, salsa lessons, and a children's play area. This is a great way to spend a Saturday afternoon with family and friends.

Wings of Angels is a non-profit organization that works diligently to provide urgent emergency medical help to people involved in motor vehicles accidents in any of the 60 miles stretch between Sonoyta (US borderline) and Puerto Peñasco. For more information on the Taste Of Peñasco event, see www.TasteofPenasco.com.
